INSPECTION DEPARTMENT VILLAGE OF FOX POINT 7200 N. SANTA MONICA BOULEVARD FOX POINT, WI 53217

January 22, 2015

William F. Fox Issued to:

Address: 363 W. Bergen Drive

An inspection of the premises located at 363 W. Bergen Drive discloses noncompliance with Codes or Ordinances of the Village of Fox Point as hereinafter listed:

Please provide code compliant vacuum breakers on your laundry tub and exterior hose bib faucets.

Please properly bond your corrugated stainless-steel tubing (csst) gas piping system as required by code.

Please provide code compliant smoke and carbon monoxide detectors on each floor level of your home including the basement.

Please provide a code compliant firedoor between your residence and attached garage.

F. Please properly remove the foam insulation that has been improperly installed on the interior of your home without a code compliant 15-minute thermal barrier.

Please properly remove the extension cords that are improperly running through the walls/floors of your home.

Please provide a code compliant handrail on all stairways with more than three (3) risers.

Please provide a code compliant air-gap for your dishwashing machine.

Please provide Ground-Fault Circuit Interrupter (GFCI) protection for your bathroom electrical outlets.

10 Please provide GFCI protection for the electrical outlets that have been installed in your garage.

It has been brought to my attention that the flue for your basement fireplace has been disconnected and is no longer operational. As such, please properly close your fireplace opening so that it is properly abandoned.

12. Please properly support the Grounding Electrode Conductor (GEC) that is grounding your electrical service.

13. Please provide a code compliant firewall between your house and attached garage. Tease properly close the open electrical box that is located in your attached

45. Please properly discharge your condensate lines so that they do not empty into your clear water sump crock or storm sewer system.

16. Please properly remove the graffiti from the exterior of your detached garage and paint this exterior surface as required by Village code.

In checking Village records, I fail to find any record of an electrical permit ever

having been issued for the electrical work that has been done in your detached the form the first that the first than the firs

1Add

garage. Please obtain this permit. Also, please bring this installation into code compliance.

Please properly install the nonmetallic sheathed cable that has been installed in the basement area of your home.

Scott Miller
Building Inspector
Village of Fox Point

, _

^{*} Please be aware that Village Code requires permits for plumbing and electrical work.

^{*}Please be aware that all work done prior to obtaining a permit will require a double fee pursuant to Village Code.

Chapter 63. FEES

§ 63-4. Plumbing Code fees.

[Amended 12-13-2011 by Ord. No. 2011-12]

- A. Applicable fees. The fees to be charged pursuant to Chapter **825** of the Village of Fox Point Municipal Code, the Village Plumbing Code, shall be as follows:
 - (1) Plumbing permit minimum fee: \$60.
 - (2) Plumbing fixture fee: \$8 each fixture.
 - (3) Building sewers: \$50.
 - (4) All sewers over 100 feet, per foot: \$0.50.
 - (5) Building drains: \$50.
 - (6) Storm sewers: same as building sewers, \$50.
 - (7) For inspection of septic tanks, filtering beds, and other facilities thereto: \$50.
 - (8) Water service two inches and under: \$50.
 - (9) Water service over two inches: \$75.
 - (10) Failure to take out a permit prior to starting work: double fees.
 - (11) Failure to order final inspection before occupancy: \$100.
 - (12) Reinspection: \$100.
 - (13) Information call at location: \$100.
- B. Water usage charges and charges for testing and setting water meters shall be as set forth in the rate schedule of the Fox Point Water Utility as approved by the Public Service Commission.
- C. Well operation permit. All initial and renewal applications must be accompanied by a fee of \$50.[1]
 - [1]: Editor's Note: Added at time of adoption of Code (see Ch. 1, General Provisions, Art. II).

CAUTIONARY STATEMENT TO OWNERS OBTAINING BUILDING PERMITS

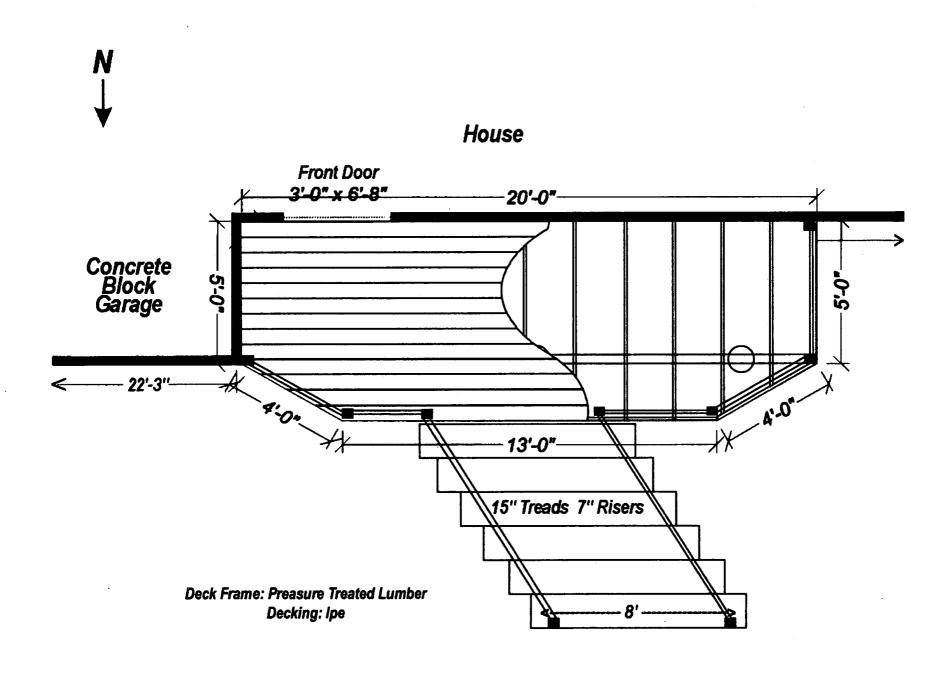

101.65(1r) of the Wisconsin Statutes requires municipalities that enforce the Uniform Dwelling Code to provide an owner who applies for a building permit with a statement advising the owner that:

If the owner hires a contractor to perform work under the building permit and the contractor is not bonded or insured as required under s.101.654(2)(a), the following consequences might occur:

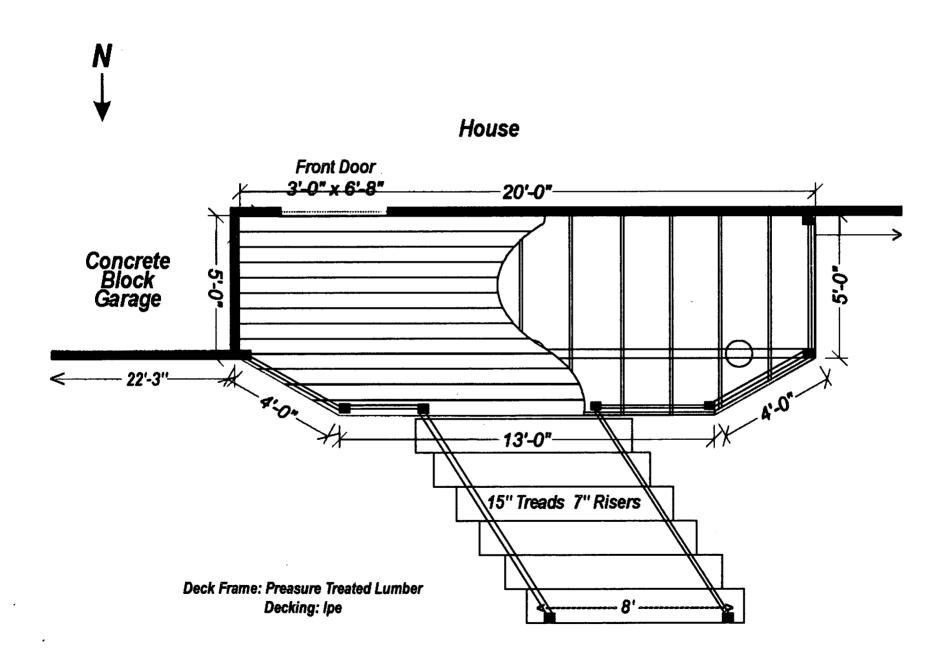

- a) The owner may be held liable for any bodily injury to or death of others or for any damage to the property of others that arises out of the work performed under the building permit or that is caused by any negligence by the contractor that occurs in connection with the work performed under the building permit.
- b) The owner may not be able to collect from the contractor damages for any loss sustained by the owner because of a violation by the contractor of the one and two family dwelling code or an ordinance enacted under sub.(1)(a), because of any bodily injury to or death of others or damage to the property of others that arises out of the work performed under the building permit or because of any bodily injury to or death of others or damage to the property of others that is caused by any negligence by the contractor that occurs in connection with the work performed under the building permit.

June 11, 2008

Christopher and Linda Austin 331 W. Bergen Drive Fox Point, WI 53217

Dear Mr. & Mrs. Austin:

I am writing to alert you to an apparent structural problem at your home.

On June 11, 2008, I observed that the second story exterior wall located above your kitchen is not being supported by a beam. This wall appears to rest on the second floor joist(s) below without any additional support. I am concerned that these joist(s) may not be able to support the weight of the roof system above. As such, I am requesting that you provide me with documentation showing that your second story floor system will support the dormer above without exceeding their allowable design stresses as required by section 30.29 of the Fox Point Village Code. Please provide me with this information prior to drywall being installed in this portion of your kitchen.

Please feel free to contact me should you have any questions concerning this letter.

Sincerely,

Scott Miller Building Inspector Village of Fox Point

January 1, 2007

NOTICE TO PLUMBING CONTRACTORS

In order to provide quality and timely service for your construction projects, the Fox Point Water Utility needs advanced notice prior to any water shutoffs to residential or commercial properties in the Village of Fox Point. Your call or written message to us for a shutoff will be returned within 24 hours. We will then schedule a time to complete the shutoff. Any emergencies will be responded to as soon as possible. The charge for this service during normal working hours is \$35. After normal hours the charge is \$45.00.

Thank you for your cooperation.

CERTIFICATE OF COMPLIANCE

No Date June 12, 1978
Issued toJohn & Donna Wade
Address363 W. Bergen Drive
This Certificate of Compliance permits a change in occupancy of the
premises located at363 W. Bergen Drive
in Fox Point, Wisconsin, any time within one year from the date hereof,
and indicates that so far as can reasonably be determined by a visual
inspection of the premises and a review of the Village records, the
premises meet the requirements of Section 30P.62 of the Fox Point Building
Code. This certificate is issued for the benefit of the Village of Fox
Point in the enforcement of Section 30P.62 of the Fox Point Building Code.
Neither the Village of Fox Point nor the Building Inspector assumes any
liability in or as a result of the inspection or issuance of this Certificate
of Compliance and by the issuance of this Certificate of Compliance does
not guarantee or warrant as to the condition of the premises inspected.

+ ALSO ADMITTED TO PRACTICE IN ILLINOIS

Residence at 363 West Bergen Drive, Fox Point, Wisconsin RE:

Dar Mr. Miller:

I have resided at the above address since approximately 1979.

My wife (Karen) passed away three years ago. I am strongly considering a move from my residence sometime later in 2015.

I believe that our building code requires a certificate of occupancy to be issued by your office before a sale can be completed. I understand that any inspection report you may issue is good for one year following its issuance.

I would like very much to order an inspection report from your office at this time so that I will have sufficient time to make any changes to the residence and premises which your office will inspect and require, prior to issuing an occupancy permit.

To that end, I would ask you to determine a suitable and convenient time for an inspection. If you have an opening, could you be kind enough to call me at my office (414-273-3939) or my cell phone (414-640-4859) and suggest a time and date.

If you require a payment prior to the inspection, please let me know that fact (and the ) and I will send you the funds immediately.

I realize you are quite busy so I thank you in advance and hope to hear from you. amount) and I will send you the funds immediately.

## Trustees to check land before okaying division

Fox Point trustees decided they would have to take a look at the land Elizabeth Moore, 415 W. Bergen Dr., Fox Point, is asking to divide before it can vote on the request. Therefore, action was deferred last week until the board's March 24 meet-

Mrs. Moore petitioned for a land division so she can sell the newly created parcel. The new lot would be about 11 percent short of the open space required for single family zoning.

The village Building Board may grant such a variance up to 15 percent and has recommended approval of Mrs. Moore's request to the Village Board.

However, several trustees have not seen exactly where the lots will be divided.

Trustee Lee Podolin expressed concern that a potential buyer of the land be made aware of the open space deficiency. He also learned that any actual house plans for the lot will have to be approved by the Building Board.

"So the Building Board could tell the buyer of the new lot that a ranch home would cover too much of the land and that a two-story home would be preferable." suggested Trustee F.R. Dengel.

Mrs. Moore provided the Building Board with plans for a "hypothetical house" which could be built on the new lot. It would include 2,100 sq. ft. in two stories plus a 400 sq. ft. garage. The Building Board was satisfied and recommended the village board approve the petition.

The lot would lie in an area where 20,000 sq. ft. of open space is required. The new lot would have only 17,000 sq. ft.

The board intends to act March 24 after all trustees have viewed the site.

In other action the board:

- Accepted the recommendation of the Building Board to deny another request by the Kohl's Food Store to erect a non-illuminated sign on the east side of Green Tree Rd. at Lake Dr. In denying the petition, the board felt the sign would not be in keeping with the mood of the community and that it would be detrimental to the residential neighborhood. The board rejected the store's request for the same sign, which was to be illuminated, in February.
- Approved two signs for Cousins Submarine Shop to be located in the Brown Port Shopping Center. The signs will be on the north and east sides of the shopping center. A third sign, to face the west (or I-43) was

rejected on the basis of size. The other signs facing that direction are approximately 2 feet by 12 feet and Cousins requested a 5 foot by 10 foot sign.

- Directed Henry Scholz, village manager, to prepare 1981 salary adjustments for non-represented municipal employees for the March 24 meeting.
- Referred the municipal sign ordinance to the Plan Commission for review. -
- Reviewed some revisions suggested by Fraley Weidner, village attorney, regarding the senior citizen's lease to rent space in Stormonth School, Weidner anticipates meeting with representatives from the Fox Point-Bayside School Board, which actualy owns the building, to negotiate these changes. Weidner found particular problem with the fire clause.

area, (3) established a wonder library, (4) maintained an ongoing improvement program, (5) made ever

**Creative solutions required** 

In declaring my candidacy for election to the Maple-Dale-Indian Hill School Board I have carefully evaluated the job and the requirements necessary to contribute to a successful tenure as a board member.

As I see it; a school board member is the public's voice in setting policy and evaluating the system. To that challenge I believe I am uniquely qualified. I have served as president of the PTA; chairman of the Parent Advisory Council; as a member of the Nicolet Parent Advisory Council and as a board member of the Nicolet Knightchargers. I am a licensed teacher with several years full time teaching experience as well as additional experience as a substitute teacher. I am the mother of three children who are at various levels in the Maple-Dale-Indian Hills schools and

Nicolet High School. As a taxpayer, I am painfully aware of the requirement of fiscal responsibility tempered with the electorate's demand for scholastic excellence.

The years ahead will place unequaled demands for creative solutions to fiscal dilemmas, evaluation and re-evaluation of programming and the unending need to create personalized treatment and attention to the student as a total individual.

I would not suggest that I have answers to all problems presently facing the board or yet to be encountered. I do suggest that my background provides me and the electorate with unique balance of experiences.

Helaine Weil

Candidate for the Maple Dale-Indian Hill School Board

sick." "I don't think schools here in Brookfield need it but it wouldn't hurt all schools to have it." "It

pear ripe for a new car sales boom.
What one thing do you feel is needed for this boom to occur?

## This Week in History

Congress passed a bill on March 16, 1802, creating the U.S. Military Academy.

On March 16, 1882, the Senate ratified the Geneva Convention on the care of wounded soldiers.

Boston, Mass., was founded on March 17,

Grover Cleveland, 22nd president of the United States was born at Caldwell, N.J., on March 18, 1837.

American and British oil properties were nationalized by the Mexican government on March 18, 1938.

On March 19, 1920, the Treaty to Versailles failed to receive ratification in the U.S. Senate.

The National Defense Mediation Board was formed on March 19, 1941, to deal with labor disputes.

The Supreme Court ruled on March 20, 1816, that the Judiciary Act of 1789 empowered it to review decisions by state courts.

President Roosevelt signed the Economy Act on March 20, 1933, which reduced salaries of employees of the federal government.
