Date

Issued to: C. F. Streich

Address: 1010 E. Thorn Lane

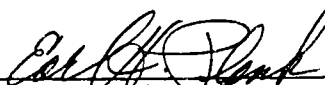

An inspection of the premises located at 1010 E. Thorn Lane discloses noncompliance with Codes or Ordinances of the Village of Fox Point as hereinafter listed:

1. Maximum uniform rise for a step is 8" - rise for step at north side entry is excessive.
2. Garbage grinder shall be operable.
3. Eliminate clear water from sanitary sewer.
4. Code-complying guardrails required for accessible flat roofs.
5. Entire residence will be in need of maintenance in the near future.

NONCOMPLIANCE NOTICE

October 29, 1991
Date

Issued to: David and Margaret Gaarder

Address: 1010 E. Thorn Lane

An inspection of the premises located at 1010 E. Thorn Lane discloses noncompliance with Codes or Ordinances of the Village of Fox Point as hereinafter listed:

1. The Village of Fox Point Code Section 30p62 requires that there be no cross connections of clear water into the sanitary sewer. The inspection I made on October 24, 1991 revealed that you broke the floor out in two areas and cemented the drain tile receivers off as to prevent a crossconnection. You indicated to me that you felt a sump pump was not required because all the rain water was being directed to the ravines. It was also observed that during heavy rains that the basement drain tile and below floor area were dry. It is my opinion that if the water drainage pattern were to change and create a water problem for this residence that a sump pump would be required at that time.
2. Access onto the upper decks must be restricted until a code complying guardrail is installed.
3. Provide backflow protection for all exterior hose bibs and laundry tub faucets.
4. Provide a bonding jumper around the water meter.
5. Provide a code complying laundry circuit as per code.

The premises at the above address shall be brought in compliance before there is a change in occupancy. Please notify this office when corrections have been made and a reinspection of the premises for compliance is desired.

Dear Mr. Gaarder:

It has been brought to our attention by Chicago Title Co. that a Certificate of Compliance was never issued back in 1987 authorizing a change in occupancy at 1010 E. Thorne Lane.

Fox Point Code, Section 30P.62 requiring that a Certificate of Compliance must be issued by the Building Inspector prior to a change in occupancy.

Fox Point Code Section 30P.62 (12) states:

(12) Penalty

Any person violating any provision of this section shall upon conviction be subject to a forfeiture of not less than \$25.00 or more than \$200.00 and the costs of prosecution for each violation, and in default of payment of such forfeiture and costs shall be imprisoned in the county jail or the County House of Correction until such forfeiture and costs of prosecution are paid, such imprisonment not to exceed 90 days. Each act of violation and every day upon which violation occurs or exists constitutes a separate offense.

Please be advised that failure to receive a Certificate of Compliance within 15 days from the above date will result in further action being taken by this Department.

If you have any questions please feel free to contact me.

Sincerely,

Scott Miller

Dear Mr. and Mrs. Geboy;

It has come to my attention that the vegetation on the Village Right-Of-Way in front of your home overhangs the asphalt roadway. This situation is an impediment to vehicular and pedestrian traffic.

Per my consultation with the Village Forester, we have identified two means of trimming the vegetation--you may do the work or have it done or our Village crew can do the work, at no cost to you. Should you choose the first option, please trim back four feet horizontally and 14 feet vertically (measured from the edge of the asphalt), in order to allow for future growth. If you prefer the second option, the Village crew will do the work, sometime after March 06.

Feel free to contact me if I can be of further assistance regarding this matter. Thank you for your cooperation and understanding.

Sincerely,

Michael K. Lynett, P. E.
