APPLICATION FOR BUILDING

The undersigned hereby applies for a permit to build, in accordance with the information tabulated hereafter,

Type of Project TANK REMOVAL Address 1015 E FOX LANE
Residence, Garage, Store, Office, School, Fence, Shed, Sign, Swimming Pool, Underground Storage Tank, Etc.

Lot _____ Block _____ Subdivision _____ District _____

Does contemplated structure violate the Village zoning ordinance? _____

Height of Structure _____ (stories or feet)

Width (parallel to highway) _____ (feet) Depth (perpendicular to highway) _____ (feet)

Distance: Street Line to Front Line of Structure _____ (feet)

Distance: Side Lot Line to Structure _____ (feet)

Type of Construction: _____ Exterior finish _____
Frame, Brick-tile, etc. Stucco, Siding, Brick Veneer, Etc.

Height of front yard above street grade _____

Number of rooms _____ Baths _____

Estimated cost: Garage _____
Building \$ 2000.00
Structure _____

Is there a private garage? _____

Does the contemplated garage violate the Village zoning ordinance? _____

Size _____ Number of Stalls _____ Where Situated _____

Have plans been submitted to the Wisconsin Department of Industry, Labor and Human Relations for examination and approval? _____

Have plans been approved as being in compliance with all applicable sections of the Wisconsin Administrative code? _____

Herewith are filed the following duplicate plans _____ in number, which I certify I will conform to in the work hereby applied for:

Remarks: _____

Herewith are filed the specifications that describe the work in question and as shown on plans above submitted.

In making the application the undersigned agrees to obey the Fox Point Building and Zoning Codes pertaining to the erection of all structures and also agrees to obey all other ordinances of the Village of Fox Point.

The undersigned, owner or being duly authorized so to do, hereby gives express authorization to the Village of Fox Point, its officers, agents and employees, to enter upon the premises herein described and fill up any excavation, or tear down, remove or enclose the unfinished structure for which a permit is herein requested in the event of cessation of the building, whenever the Building Inspector shall determine that such premises in the unfinished condition of the structure are dangerous to members of the public, including children, even though trespassers. The undersigned further hereby waives all statutory notices and consents to the determination by the Village Board and the levy and placing upon the tax roll of a special assessment in the amount of the cost to the Village, including customary Village overhead charges incurred in filling up any such excavation or tearing down, removing or enclosing any such unfinished structure.

We hereby agree to provide a house number plate or sign readily observable from the public highway which will be installed not less than 15 days after the structure is occupied.

Miriam Kujawski
1015 E. Fox Lane
Fox Point, WI 53217

Dear Mrs. Kujawski:

I am writing in follow-up to the HVAC inspection I made at your home.

As you may be aware, I was at your home on June 27, 2013 to inspect the new furnace that you had recently installed by Jacobus Heating. The inspection revealed that you replaced your existing oil-fired furnace with a new high efficiency gas-fired furnace. As a result, the Underground Storage Tank (UST) that is buried in your front yard is now abandoned. Section 30.37(4) of the Village code requires all abandoned UST's to be removed in accordance with the procedure outlined in section 30.37(5)(e) of the Village code.

For the foregoing reasons, I am hereby requiring code compliance. Please remove the above described UST from your property by September 27, 2013. Please be advised that failure to comply with this request will result in a citation being issued for noncompliance.

Please feel free to contact me should you have any questions concerning this letter.

Sincerely,

Scott Miller

RE: Property Maintenance

Dear Mrs. Kujawski:

I am writing to inform you that you are in violation of Village code.

I observed on July 31, 1998 that the header above your overhead garage door has sagged considerably which is negatively impacting your garage roof system. The garage door header is a structural member which supports your garage roof rafters and ceiling joists. The result is that your garage door header can no longer support the dead weight of the framing members and the live weight of a snow load. This is contrary to Fox Point Code 33.2 which requires your garage door header to be "structurally sound".

For the forgoing reasons, I am hereby requesting that you immediately repair your garage door header. Please be aware that Fox point Code 30.05(1)(a) requires a building permit prior to a structural repair. Please be advised that I will follow-up on this letter on August 31, 1998 at which time code compliance will be expected.

Please feel free to contact me should you have any questions concerning this letter.

Scott Miller
Building Inspector
Village of Fox Point

Dear Scott,

I received your compliance notice which we discussed this morning over the phone. My home at 1015 E. Fox Lane will be brought up to code. I assure you that the requirements will be met. The carpentry and painting of the exterior will need more time than the May 29th deadline. Please grant an extension of time, so the work can be done properly. My contractor is experienced and he will do a good job.

You have my complete cooperation and I trust that I have yours. Thank you for your kind attention to this matter.

Cordially,

Miriam

VILLAGE OF FOX POINT
7200 N. SANTA MONICA BOULEVARD
FOX POINT, WISCONSIN 53217

NONCOMPLIANCE NOTICE

November 20, 1990

Date

Issued to: Miriam Kujawski

Address: 8341 N. Links Way Fox Point, WI 53217

An inspection of the premises located at 1015 E. Fox Lane discloses noncompliance with Codes or Ordinances of the Village of Fox Point as hereinafter listed:

1. Eliminate clear water from the sanitary sewer and install a code complying clear water sump pump as required by Fox Point Code 30P.62.
2. Provide a code complying smoke detector upstairs as required by FP Code 30P.65.
3. Provide back flow protection for all exterior hose bibs and laundry tub faucets as per ILHR 82.40 (4)(c).
4. Provide a code complying bonding jumper around water meter as per NEC 250-81 (a).
5. I recommend that the existing electrical service should be updated appropriately. It was noted that considerable load has been added to the existing 60 amp service.
6. Provide at least a 15" clearance from the chimney connector to all combustibles as per ILHR 23.15.
7. Fireplace damper shall be operable.
8. Attached private garage shall meet the minimum fire separation requirements outlined in Fox Point Code Section 30.43 (7)(a) & (b).
9. Downspouts shall expire at least 3' from the foundation as per Fox Point Code 30p.63.
10. It was noted that the furnace was oil fired. I want to make you aware that if the oil tank serving this furnace were to be put out of service, it would have to be removed in accordance with Fox Point Code 30.37.
11. It was noted that the south wall of the attached garage has been pushed outward considerably. This wall shall be repaired back to it's original strength as per Fox Point Code 30.03 (4)(d).

The premises at the above address shall be brought in compliance before there is a change in occupancy. Please notify this office when corrections have been made and a reinspection of the premises for compliance is desired.

INSPECTION DEPARTMENT
VILLAGE OF FOX POINT
7200 N. SANTA MONICA BOULEVARD
FOX POINT, WISCONSIN 53217

CERTIFICATE OF COMPLIANCE

No. 2884

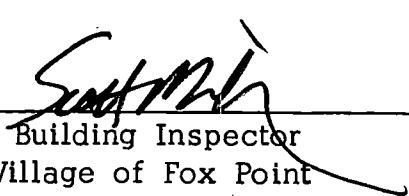

Date December 27, 1990

Issued to Miriam Kujawski

Address 8341 N. Links Way

This Certificate of Compliance permits a change in the occupancy of the premises located at 1015 E. Fox Lane

in Fox Point, Wisconsin, any time within one year from the date hereof, and indicates that so far as can reasonably be determined by a visual inspection of the premises and a review of the Village records, the premises meet the requirements of Section 30P.62 of the Fox Point Building Code. This certificate is issued for the benefit of the Village of Fox Point in the enforcement of Section 30P.62 of the Fox Point Building Code. Neither the Village of Fox Point nor the Building Inspector assumes any liability in or as a result of the inspection or issuance of this Certificate of Compliance and by the issuance of this Certificate of Compliance does not guarantee or warrant as to the condition of the premises inspected.

| <input type="checkbox"/> Grading or Drainage Permit | |
| <input type="checkbox"/> Fill Permit | |
| <input type="checkbox"/> Erosion Control – New Home Construction | |

Forms will be provided to each Applicant depending on the boxes checked above. These are described in more detail as follows:

1. Chapter 30 – Building and Razing Permits. The Village’s building permit application form must be filled-out completely in order to obtain a permit for building and/or razing (**a separate permit is required for each**). In addition, the Wisconsin Uniform Building Permit application form must be completed and submitted to the Village for the construction of any new single family dwelling. Contractors applying for permits to do work on one or two family dwellings shall include a copy of their Dwelling Contractor Certification and Dwelling Contractor Qualifier Certification unless the homeowner has signed the Department of Commerce’s waiver form as required by Wisconsin State Statutes.
2. Chapter 5 – Streets and Sidewalks. For activities being performed in the Village’s Right of Way (ROW), a separate permit may need to be obtained and a deposit must be paid. **Applicants are reminded that it is their responsibility to contact the Village after all work in the ROW is completed. Deposits will only be returned upon satisfactorily restoring the Village ROW.**
3. Section 30.05 – Grading and Drainage Plans. A drainage plan shall be submitted under any of the following conditions: (1) the construction of a new principal building, (2) land disturbing activity requiring a permit that affects a surface area of 4,000 sq/ft or more, (3) land disturbing activity (other than tree removal) on the face of a ravine or lake bluff, (4) all circumstances where a fill permit is required pursuant to Chapter 18 of the Village Code, and (5) when required by the Village in particular cases due to particular concerns arising in the application.
4. Chapter 18 – Fill Permit. No person, firm or institution, public or private, shall transport to, dump, or place upon lands, public or private, solid fill in the Village of Fox Point without first obtaining a permit.
5. Erosion Control Plans. An erosion control plan for new home construction must be submitted pursuant to the Department of Safety and Professional Services regulations SPS 321.125 and 321.126. For all other activities that are not new home construction, Section 38 of the Village Code may apply to your activity. In particular, should your activity fall into one of the categories identified in Section 38.07(a), then you are required to submit an erosion control plan that complies with Section 38.08.
6. Chapter 17 – Construction on a Lake Bluff or Ravine. No building or structure shall be erected on or over the slope of a ravine or lake bluff or at the foot of a ravine or lake bluff unless it meets one of the exceptions listed in the Village’s Bluff Ordinance. Section 17.11 also restricts any cutting on the slope of the lake bluff or the slope of the bank of a ravine.
7. Chapter 39 – Prohibition on Clear Cutting Lots. A permit is required whenever a landowner, tenant, or person in possession or control of a lot or property within the Village of Fox Point proposes to cut back more than 50% of the healthy trees upon any such lot or property.
8. Chapter 37 – Storm Water Permit. A storm water permit must be obtained when a property development disturbs one (1) or more acres or if the development increases impervious surface by one-half acre or more unless exempt under Chapter 37 of the Village Code.

Number of rooms 6 rooms, 1 bath and 1 lavatory

Estimated cost { Garage \$14,000
Building

Is there a private garage? Yes
Does the contemplated garage violate the Village zoning ordinance? No
Size 20 X 21 Number of stalls 2
Where situated Attached to residence by breezeway

General construction Frame-Brick-Stucco

Have you applied to the Industrial Commission for a permit under the State Building Code?
Has the permit been granted?

Herewith are filed the following duplicate plans.....in number, which I certify I will conform to in the work hereby applied for.

Remarks: Approved incinerator or garbage consumer to be installed.

Herewith are filed the specifications that describe the work in question and as shown on plans above submitted.

In making the application the undersigned agrees to obey the Fox Point Building Code pertaining to the erection of buildings and also agrees to obey all other ordinances of the Village of Fox Point.

The undersigned, owner or being duly authorized so to do, hereby gives express authorization to the Village of Fox Point, its officers, agents and employees, to enter upon the premises herein described and fill up any excavation, or tear down, remove or enclose the unfinished structure for which a permit is herein requested in the event of cessation of the building, whenever the Building Inspector shall determine that such premises in the unfinished condition of the structure are dangerous to members of the public, including children, even though trespassers. The undersigned further hereby waives all statutory notices and consents to the determination by the Village Board and the levy and placing upon the tax roll of a special assessment in the amount of the cost to the Village, including customary Village overhead charges incurred in filling up any such excavation or tearing down, removing or enclosing any such unfinished structure.
