VILLAGE OF FOX POINT Nilwaukee County, Wisconsin

APPLICATION FOR CULVERT PERMIT

CULVERT PERMIT NO. 1793 BUILDING PERMIT NO. 3721

To the Building Inspection Department:

The undersigned, as owner or owner's agent, hereby applies for a permit to install, in accordance with the requirements of the Village of Fox Point, a culvert or drainage structure to serve the premises at:

8425 N. Fox Croft Lane

N. 150' of Lot No. <u>6</u>, Block No. <u>Fox Croft Highlands</u> Subdivision

Excerpts from Building Code:

Section 4.09 (3) <u>Culverts</u>

(a) All culverts installed or reinstalled in any public way shall be of corrugated copper-steel, (and of a size) as set-forth by the Village Engineer.

(4) <u>Setting of Culverts</u>

(a) After the permit has been issued the owner, or his representative, shall notify the Engineering Department at least forty-eight (48) hours prior to the setting of the culvert and said department shall establish the required grade of the culvert.

(b) The owner shall then have the culvert installed in accordance with the requirements set forth by the Village Engineer (see reverse side), and after the culvert has been installed, shall notify the Engineering Department. After such notification said Engineering Department shall inspect the installation. If the installation does not conform with the requirements of the Village Engineer, the Building Inspector shall notify the owner and shall place a time limit on correcting the installation. In the event that the correction is not made in the required time, penalties as set forth by this Ordinance shall be enforced.
